

## INVITATION: PUBLIC WORKSHOPS TO DISCUSS AND GIVE INPUT INTO URBAN DESIGN UPGRADES AROUND THE GO!DURBAN STATIONS IN JOSIAH GUMEDE ROAD, PINETOWN

The GO!Durban dedicated bus lanes from KwaMashu to Pinetown are nearly complete. Bus stations within the Pinetown CBD are also nearing completion. In light of this, the eThekweni Municipality is now engaging stakeholders to plan for implementation of urban design and urban renewal initiatives around the Moodie, Civic and Beviss Station nodes. As owners, tenants, employees and users of these spaces, you are invited to attend any of the three workshops which are of interest to you. Here you will be given an opportunity to give your input into the plans for the redevelopment of the Pinetown CBD.
